

Tallowood Community Garden Update

We've ordered the soil and the sleepers, so let's get these beds built and grow some food!

Build date: March 21 – 22

What's the plan?

- March 21/22**

 - Build the first 5 raised beds and allow the soil time to settle before trees go in.
- April**

 - Plant community fruit trees and have a children's gardening day.
- May**

 - Fundraise for further beds, composting area and water supply.
- June**

 - Proposed meeting to reflect on progress and brainstorm new ideas.

How can you help?

- Bring your muscles, a hat and a cold drink and join us from 9am Saturday 21st and Sunday 22nd of March
- Bring some ideas for a compost area.
- Bring your kids so they can be involved.
- RSVP with a time you can commit to help
- If you know someone who would like to be involved, let them know. The more the merrier!

RSVP + Contacts
